Instructions

Welcome to the Offline Version of the CodePath WEB102 Prework! (🔗 [Link to Online Version](#))

The challenges are identical in both versions. However, for the OFFLINE version, you will need to enter each Secret Key as a password to open the next PDF.

> 👋 **Important :** If you're taking this course For-Credit at your university, this prework project is **optional**.

Ready to begin your adventure? Open **"Challenge #0 — CodePath WEB102 Prework.pdf"** by entering the Secret Key `instructions` (all lowercase)
